

**CHRISTIAN LETTERS TO A POST-CHRISTIAN WORLD**
by Dorothy L. Sayers

*Edited and with an Introduction by Roderick Jellema*

This collection of selected Sayers essays reveals her as a trenchant and ofttimes witty apologist for Christian creeds, as well as a social and literary critic. It is intended to demonstrate the fullness and unity of Sayers' work, and serves as an excellent introduction to her. Included are essays from **Creed or Chaos?, The Mind of the Maker, Unpopular Opinions,** and **The Poetry of Search and Statement,** as well as the **Pantheon Papers,** reprinted for the first time from the pages of PUNCH. Cloth $5.95, Paper $2.95
